ABOUT OUR SISTERS' HOUSE

Our Sisters' House (OSH) is Pierce County's culturally specific community resource for women and children affected by domestic violence and sexual assault. Since 1995, we have provided advocacy, education, and support services to help survivors regain stability and independence. Our programs focus on youth mentorship, legal advocacy, and emergency assistance to ensure that survivors receive comprehensive care.

ABOUT THE WINTER WONDERLAND GALA

The Winter Wonderland Gala is Our Sisters' House's premier annual fundraising event, bringing together community leaders, donors, and advocates to support our mission. Guests will enjoy a magical evening featuring a catered dinner, live entertainment, an auction, and an opportunity to make a lasting impact.
Our goal is to raise **$250,000** to support our essential programs and expand our reach to more families in need. Sponsorships play a crucial role in ensuring the success of this event and furthering our mission to end domestic violence and empower survivors.

WHY YOUR SUPPORT MATTERS

By sponsoring the Winter Wonderland Gala, you align your brand with a critical cause and demonstrate your commitment to social change. Your sponsorship will directly contribute to our ability to provide advocacy, housing assistance, and educational programs for survivors in our community.

CAPITAL CAMPAIGN

BUILDING A STRONGER FUTURE

Goal: $250,000 to purchase the 3rd floor of 708 Broadway, Tacoma, WA

Our Sisters' House is on a mission to secure a permanent home by purchasing the third floor of our current building. This investment is crucial for expanding our ability to serve survivors and at-risk youth. Here's why this purchase matters:

- **Increased Privacy:** Dedicated spaces for domestic violence and sexual assault walk-in clients.
- **Youth Services & Program Expansion:** Private offices for life coaching sessions, youth diversion clients and youth events.
- **Financial Sustainability:** Rental income from office spaces will provide stable funding to grow OSH's reach in Pierce County and across Washington State.

By supporting this campaign, you are investing in long-term solutions that directly benefit survivors and youth in our community.
